

# Pressure Vessel Certificate

**Side 1 - Boiler**

**Certificate Number** \_\_\_\_\_

Boiler class: (LO/LS etc)		Loco type:	
Boiler design origin:	Loco Name:	Loco number:	Wheel arrangement:
Construction material:	Boiler I/D No:	Chassis No:	Previous Cert. No:
Jointing material:		Fired by: Meths / Coal / Butane Gas:	
Boiler constructed by:		Completion Date:	Remarks:
Design working pressure:	PSI/Bar	Initial Test Pressure:	PSI/Bar. Retest pressure: PSI/Bar
Safety valve set to	PSI/Bar	Pressure gauge calibration:	
Alterations and repairs since last test:			
1st Owner	2nd Owner	3rd Owner	4th Owner

Hydraulic Test - 4 years				Steam Test - 2 years			
Test No	Date	Testers/Witness Name and Signature	Comments		Date	Testers/Witness Name and Signature	Comments
Initial		Print name _____		Initial		Print name and sign _____	
		Sign _____				Print name and sign _____	
Retest 1		Print name _____		+ 2 years		Print name and sign _____	
		Sign _____				Print name and sign _____	
Retest 2		Print name _____		Retest		Print name and sign _____	
		Sign _____				Print name and sign _____	
Retest 1		Print name _____		+ 2 years		Print name and sign _____	
		Sign _____				Print name and sign _____	
Retest 2		Print name _____		Retest		Print name and sign _____	
		Sign _____				Print name and sign _____	

# Pressure Vessel Certificate

**Side 2 - Fuel Tank for BUTANE ONLY.**

**Complete this section only if a pressurised fuel tank for Butane gas is fitted to the locomotive described overleaf.**

Construction material:		Jointing material:		Design origin:	
Constructed by:		Completion date:		Remarks:	
Test Pressure:      PSI/Bar.		Maximum designed operating temperature:		deg. C.	
				Warning plate fitted? Yes/No.	
Tank I/D:					
Alterations and repairs since last test:					
Inspection and Hydraulic Test					
Test No.	Date	Inspection	Hydraulic Test	Tester/Witness Name and Signature	Comments
Initial				Print name and sign	
				_____	
Retest 1 /Change of ownership				Print name and sign	
				_____	
Retest 2 /Change of ownership				Print name and sign	
				_____	
Retest 3 /Change of ownership				Print name and sign	
				_____	
Retest 4 /Change of ownership				Print name and sign	
				_____	

**Note: This Pressure Vessel Certificate is issued on completion of the test procedure detailed in the Pressure Vessel Procedure - Issue No. 3 of 5th July 2008 published by the Gauge One Model Railway Association. Copies of this procedure are available from the Technical Secretary (whose name and address is published in the Association's quarterly Newsletter) upon receipt on an A4 stamped and addressed envelope.**

**20/07/2008**
